Peter SCHWEYER

for ALLENTOWN CITY COUNCIL

Allentown is a great place to live, work and raise a family, and I am proud to call this area my home.

As your city councilman, I will continue my efforts to solve the problems that affects us all:

- Reducing Crime
- Creating Jobs
- Protecting Your Tax Dollars

Leadership You Can Trust

As our City Councilman, Peter Schweyer has delivered results for us:

Reducing Crime:

Peter Schweyer authored and passed sweeping anti-crime legislation, including a tough anti-graffiti law, and a law forcing landlords to evict convicted drug offenders from our communities.

Creating Jobs:

Peter Schweyer fought for tax incentives that led to new investments in downtown Allentown including a manufacturing center. In addition, Peter has aggressively fought to ensure Allentown receives its fair share of state and federal funding.

Protecting Your Tax Dollars:

Peter Schweyer has NEVER voted for a property increase. In fact, Peter has led the effort to reduce City Council spending, which freed up resources to put **more** police on the street.

Peter Schweyer, a lifelong resident of Allentown, is the youngest Council President in Allentown history, the youngest Chairman of LANta in history, and one of the Eastern Pennsylvania Business Journal's "20 Under 40"
