From the Desk of:

## State Representative Jennifer L. Mann

You may have heard that my Chief of Staff, Peter Schweyer, is seeking re-election to City Council. You should know that I strongly support his candidacy and ask that you consider casting your ballot for him.

Since he first took office, Peter has demonstrated the type of leadership that our City needs. He is one of the youngest people to serve on Council and quickly developed a reputation as a hard working and effective member. As such, he is now the youngest President of City Council in Allentown's history. He was selected as a *20 under 40* by the Eastern Pennsylvania Business Journal and serves as chair of the LANTA Board of Directors.

On council, he has fought for our neighborhoods. He wrote legislation that forces landlords to evict convicted drug offenders. He also authored Allentown's anti-graffiti law which is now one of the toughest in Pennsylvania.

Peter was born and raised in Allentown. He and his wife are homeowners and are raising their two daughters. He is fully committed to making our streets safer, stabilizing the City's finances and protecting our neighborhoods.

He has truly demonstrated his commitment to our City and has earned my vote. You can learn more about Peter by visiting his website at: [www.peterschweyer.com](http://www.peterschweyer.com) or follow Peter on Twitter at [twitter.com/peter\\_schweyer](https://twitter.com/peter_schweyer)

**Thank you for your consideration. And please remember to vote on November 8th for my friend and colleague, Peter Schweyer, for Allentown City Council.**

Sincerely,

**Jennifer L. Mann**  
State Representative
